

Mrs. Tania Wolfe

Hello, my name is Tania Wolfe. I started working at Holy Cross Academy in the fall of 2022 as a teacher's assistant for first grade.

I am married to an active-duty officer in the Marine Corps, and we have one daughter who attends Holy Cross Academy.

As a military family, moving to new places is part of our lives. Upon moving to Fredericksburg last summer, it was very important for me to find a great school that also fostered a sense of community and provided excellent education for my daughter rooted in faith, and I am very happy to say that I found that at Holy Cross Academy.

I was born and raised in The Holy Land, in the town of Nazareth. I moved to the United States to attend college and have live here since then. I have a Bachelor of Fine Arts in Interior Design. For the past 12 years, I worked as an Arabic linguist and instructor for a software company.

I am thrilled to have this opportunity to work at Holy Cross Academy and be part of the academic and spiritual growth of my own daughter and all the students who attend the school.
