PTO Bylaws Update

Proposed Amendment to the PTO By-Laws

Over the years, the Executive Board has experienced times when there is a vacancy in the position of PTO Vice President. This vacancy occurs when there is a lack of qualified executive or general members who are interested in volunteering to hold the position. We are proposing an amendment to the PTO by-laws to accommodate the PTO Vice President vacancy. Please see below the current by-laws' language regarding the qualifications for PTO executive board positions and the recommended verbiage to by-laws. If passed, the 2024-2025 PTO executive board will add the language to Article V Item of the PTO by-laws.

Please [cast your vote](#) in favor or not by **Monday, September 2nd**. A current copy of the PTO Statutes and By-Laws can be found [here](#).

Proposed Addition:

In the event that an Executive Officer position is vacant or no suitable candidate is available to fill the position, the following provisions shall apply to ensure the continued smooth operation of the HCA PTO:

- 1. Distribution of Duties: The duties typically performed by the Executive Officer will be distributed among the remaining officers of the Executive Board. The President will designate specific responsibilities to each officer to ensure that all tasks are covered effectively.***
- 2. Appointment of a Temporary Executive Officer: The President, with the consent of the Executive Board and the Principal, may appoint a temporary replacement from among the existing Executive Board members or general PTO membership. This temporary Executive Officer will serve until a permanent replacement can be elected or until the end of the current school year, whichever comes first. Should the President position be vacant, then the Vice President will assume the role.***
- 3. Support from Members-at-Large: Members-at-Large may be asked to take on additional duties to support the Executive Board during the vacancy period. This includes assisting with event coordination, acting as liaisons for committees, and other tasks as deemed necessary by the President.***

4. Review and Adjustment: The Executive Board will regularly review the distribution of the Executive Officer duties and make adjustments as needed to ensure the efficient functioning of the PTO.

5. Communication to Members: The general membership will be informed of the temporary vacancy and the steps taken by the Executive Board to manage the duties and responsibilities typically handled by the position.

6. Election Procedures: Efforts will be made to fill the vacant position at the earliest opportunity through the regular nomination and election process as outlined in the PTO By-Laws.

7. If there is an absence in an Executive Member position the previous President and/or Vice President will be an advisor to the current board to assist with fulfilling the PTO needs.

This addition ensures that the PTO can continue to function effectively and maintain its objectives even in the absence of an Executive Officer.
