

Mrs. Denice Whatley

My name is Denice Whatley and I work part-time in the kitchen at HCA. I'm originally from Delaware where I met my awesome husband and we raised our 6 children. I was a stay-at-home mom for 25 years! During this time, I completed my BA in Behavioral Science, and volunteered and substitute taught in my children's schools.

After moving to Fredericksburg 10 years ago, I rediscovered the beauty of the Catholic Church and taught religious education classes to grades 9-12. When my younger children were attending HCA middle school, I started working in the kitchen with Mrs. Beall. I enjoy my job, it's a lot of fun, and HCA is a great place to be!
